# SALADS

All salads are served with fresh baked French bread

## Louis Pappas Famous Greek Salad™

The Louis Pappas Famous Greek Salad™ was created nearly a century ago by the original Louis Pappas when he added his special Pappas potato salad to the bottom of his Greek salad. Topping the plentiful mound of potato salad is shredded iceberg lettuce artistically garnished with tomatoes, cucumbers, Kalamata olives, Greek pepperoncini, radishes, scallions, baby leaf spinach, sliced bell peppers, beets, Feta cheese, shrimp and anchovies. The colorful Louis Pappas Greek Salad presents a beautiful tabletop masterpiece for any celebration. Our salads can also be prepared in your own bowl to personalize your presentation.
